Citizen Police Academy

"Police And Community Together"

Program Objectives

The Citizen Police Academy has been designed to strengthen the partnership between the New Rochelle Police Department and the citizens of New Rochelle. The objectives of this program are:

1. To encourage an increased communication and interaction between the New Rochelle Police Officers and the community, which they serve.
2. To dispel misconceptions about the roles, responsibilities and activities of the New Rochelle Police Officers.
3. To provide participants with a basic understanding of police powers and limitations imposed by Law and Police Department policy.
4. To familiarize participants with the dangers, difficulties and ambiguities inherent to modern police work.
5. To foster a citizen-police partnership to combat crime and develop a safer community.
